Karyn is a practice management consultant specializing in marketing, training, and customized solutions for veterinary practices. Her mission is to help practices “go and grow” with new ideas and practical plans. She is an AAHA adjunct faculty member and one of the founders of VetPartners. She has worked with industry, associations, and veterinary practices for over 20 years and is the former director of marketing for the AVMA. She is a popular, engaging speaker and was named the 2012 North America Veterinary Conference Practice Management Speaker of the Year and the 2013 and 2014 Western Veterinary Conference Practice Management Educator of the Year.
